SUN BEAMS

by WALTER M. BARRETT

On Page Five of this week's paper will be found the proposed budgets of the two local schools which will be up for public hearing on Monday and Wednesday of next week. These hearing are held so that you may know how your school is being run and what it costs. If you think the costs too high, the public hearings on the budgets are the places for you to voice your opinion. The interest shown by the local voters in the recent trustee elections gave ample evidence that the citizens did care what was going on. A good turn-out at the budget meetings will show that that interest was not just personal and temporary but community-spirited and permanent. The right of the citizens to voice opinions at public meetings is one of the prerogatives of democracy. If it, and all the other rights and privileges of democracy, are not used constantly, they grow weak and susceptible to extinction. It is up to you to keep alive every democratic process you possibly can. Go to the meeting and don't be afraid to speak your mind. We will live in a democracy and will as long as the people continue to practise its theories.

Decision of the Truckee Outing Club to go ahead with plans to install an up-ski on Pinnacle Hill should meet with approval of everyone interested in the development of winter sports in Truckee. There are few spots catering to snow sports enthusiasts which are not equipped with this vitally important apparatus and if Truckee is to attempt to put itself back on the level with other resort centers, then the installation of the up-ski should be looked upon as a step in the right direction. Other equipment and facilities for bringing snow sports back will be added as time and money permit. You can help by joining the club.

Whether you have noticed it or not, the boys in the Junior Game Patrol are holding their heads a little higher the past couple of weeks. The reason is that they are now equipped with their new uniforms and Sam Browne belts and make a very striking appearance in parade or meeting. We cannot praise too highly the efforts of the two local service clubs in sponsoring this troop of boys. It has provided a long-felt need for the young men of the community and benefits are being manifested daily. We can only hope that the enthusiasm of the two sponsor groups as well as the patrol is maintained.

WORK STARTED ON SKI CLUB'S LODGE

Work was started last Saturday on the Oakland Ski Club's new winter sports lodge near the maintenance station on Donner Summit, where accomodations will be available for 50 persons. John Dore and Louis Elliot are the members of the club in charge of the work.

The Oakland club, which boasts a membership of 247, including 30 members of the Oskies divisions, young men who comprise the most enthusiastic skiiers, is one of the most active winter sports organizations in the bay regions. They meet monthly during the summer months and from January to April hold two meetings each month.

The new lodge will comprise of two dormitories, one for the men and the other for the women, and will have a kitchen and other necessary appointments. The building is being erected through script sold to the members, each receiving $11 worth of script for $10, this payable in installments.

Leo Fox, energetic chairman of the membership committee, was in Truckee Sunday to exchange ideas with members of the Truckee Outing Club, it being proposed the two clubs work together on mutual programs.

LOCAL MINISTER TO GO TO CHURCH CAMP

Rev. and Mrs. G. J. E. Keetch will accompany a group of boys and girls to the Christian Adventure Camp to be held under the Methodist Church at Camp Pahatsi near Soda Springs. The camp will last for a week.

The following Saturday 300 young people will gather at Pahatsi for an Epworth League Institute. The Young Peoples League of the Truckee Community Methodist Church will be represented in this group.

Home from College—

Leland Laity returned from San Francisco Monday where he attended summer session at S. F. State College.

Hobart Will Be Permanent CCC Camp This Year

Construction Started Upon Barracks For 200 Enrollees

SOUTHERN BOYS HERE

Orders Received By Company Commander to Build Quarters

Assurance that the Hobart Mills Civilian Conservation Corps camp will become a permanent institution was given this week by Lieut. William A. Strickland, camp commander. Lieutenant Strickland said he had received instructions from the Quartermaster General's office in Washington, D. C., ordering erection of permanent camp facilities.

Work is expected to be started at once on the housing facilities which will include 27 structures. There are to be five barracks, kitchen and mess hall and other buildings for the more than 200 boys stationed at the camp. Work will be completed during the coming month.

All the buildings to be erected are the fabricated government structures.

Lieutenant Strickland and the 206 enrollees now at the camp are all from Louisiana. Replacements will be made from that state under present plans. The group appears to be of high calibre and local businessmen, who have had dealings with C. C. C. men for several years, are high in their praise of the personnel of the unit.

Lieutenant Strickland has his family quartered at Hobart Mills.

COUNTY TAX RATE IS LOWER THAN 1939-40

The tax rate of Nevada county for the year 1940-1941 will be six cents less than last year, according to tentative budget estimates. The rate applicable to all portions of the county is $1.60.

Four cents of the $1.60 will go to the Truckee Veterans Building.

In addition to the general tax fund, there are special district taxes which include the Truckee Sanitary District, 20 cents; Truckee Fire District, 50 cents; Truckee Sanitary District, 50 cents (not for debt redemption as the previous 20 cents); Truckee School District, four cents for debt redemption and 12 cents for special tax and Meadow Lake High School, 24 cents. By way of comparison, in Grass Valley and Nevada City high school taxes are 50 and 58 cents respectively.

FORMER TRUCKEEITES ON LONG BIKE HIKE

Mr. and Mrs. W. L. Wedel of San Franscisco stopped in Truckee on Monday evening to visit local friends. The Wedels, who lived here seven years ago, are touring this area on bicycles.

They left San Francisco by boat to Sacramento, starting there along the highway to Grass Valley, Downieville and Truckee to Lake Tahoe and plan to return home via the Placerville route. Their son and daughter did not accompany them.

ROTARY CLUB HEARS TALK ON INDIAN RUGS

An interesting and educational discussion on Navaho Indian rugs was given at the meeting of the Truckee Rotary Club Monday night by F. L. Markham of Kings Beach, an authority on the subject.

A. J. Ketman of Lake Tahoe was the program chairman. Visiting Rotarians were Bill Taylor of San Angelo, Texas, and A. Stevenson of Long Beach. Pres. Theodore Schleuter presided.

Improving—

J. Stefani, who has been ill at Nevada City for the past two months, is reported to be improving this week.

Home Again—

Mrs. W. F. Wilkie, Sr., has returned home from San Francisco.

OLD HOBART TRAIN FEATURED IN SHOW HERE ON SUNDAY

Beside being a first class production with an all-star cast, the motion picture Torrid Zone, to play at the Donner Theater in Truckee on August 4 and the Tahoe Theater at Kings Beach on August 7 and 8, will have an especial attraction to local cinema fans.

According to J. E. Lansberg, president of the Los Angeles Iron and Steel Co., the old No. 5 Baldwin locomotive and flat cars, used in the picture, were formerly the property of the Hobart Estate Co. and were located at Hobart Mills, making the run from there to the main line of the Southern Pacific in Truckee. The equipment was sold to Warner Brothers Studios upon the abandonment of the old mill town three years ago.

The feature players of the picture are Ann Sheridan, James Cagney and Pat O'Brien.

TAHOE PINERS FORM FIRE FIGHTING SQUAD

TAHOE PINES, Aug. 1— Residents of Tahoe Pines have organized a five-man volunteer fire service composed of local residents always available for instant call who will cooperate with federal forest rangers at Tahoe Park Public Camp. The district has been given added protection also with the purchase of a new 18 horsepower gasoline engine capable of pumping 350 gallons of water a minute.

The new pump was purchased by R. C. Walker and will be mounted at his lakeshore home.

LOCAL RIDER WINS HONORS AT RODEO

Earl "Sparky" Goode maintained the prestige of the Goode Stables of Truckee at the Portola Rodeo Sunday when he captured four honors.

The youthful horseman was first in steer roping, split in calf roping, second in the jamboree and third in the cow horse race. The events were for boys under 18 years of age. His brother, Clair Goode, owner of the stables, was entered in several of the major events but was not in his usual good form.

TWO CITED IN NEAR TRAGEDY ON U. S. 40

Charges have been filed against two men as the result of an automobile accident near Boca Friday afternoon which sent Clarence Hazelett, 38, Sacramento painter, to the Nevada County hospital with a deep scalp wound and other injuries. The driver of the car, Charles Whealen, 17, Fowler youth, was without a driver's license officers said.

Hazelett may be cited because of faulty equipment, officers indicated, after examining a badly worn front tire which blew out, causing the car to careen and overturn twice. Hazelett was the owner of the car.

Hazelett was returning from a trip to Reno and picked up Whealen at service station to drive for him. Whealen was returning home via the hitch-hike method after a visit in Nevada .The car was badly damaged but both occupants escaped without serious injuries.

DIGESTI IN HOSPITAL WITH FOOT INJURY

Joseph Digesti, 52, employe of the Southern Pacific Company, is in the S. P. General Hospital at San Francisco receiving treatment for a crushed right foot. Digesti, a resident of Truckee, suffered the injury Monday afternoon at Cisco when a heavy rail slipped from a car and landed on his foot. Last spring he was in the hospital for a similar injury to his left foot.

Mrs. Digesti is in San Francisco and his son, Harry, is leaving to join the family there tomorrow.

Home from Reno Visit—

Miss Mary Cupples returned on Sunday from a few weeks visit with relatives in Reno.

Englehart Guest—

Reg Hornberger of Oakland is a guest at the W. M. Englehart, Sr., home this week.

Sheep Killed As Truck Wrecked; Man Is Injured

Huge Stock Truck Leaves Road to Avoid Cars

Twenty-five head of sheep were destroyed and one man was injured Tuesday afternoon near Kingvale when a big Beckley Brothers stock truck, going west, left the highway and overturned to avoid worse collision.

According to Deputy Sheriff N. F. Dolley, who took the injured man to Nevada City, the truck was proceeding west near where the J. R. Reeves Construction company is repairing the highway. Traffic at the point was controlled with approximately 20 machines lined up waiting for clearance. Although the vision of the truck driver was unobscured for more than 1000 feet, he failed to stop in time to keep from plowing into the parked cars, turned his truck over the grade.

The flagman, whose name was not immediately learned, jumped to miss being hit, Dolley said he was told, and went into the path of the truck which scattered sheep far and wide when it overturned. Extra equipment was required to remove the truck from the hole into which it plunged.

GAS TAX REBATE TO COUNTIES ARE MADE

State Controller Harry B. Riley this week announced the apportionment of $17,058 in gasoline taxes to Nevada county and $23,141.26 to Placer county. The apportionment, largest fourth quarter distribution of motor vehicle fuel funds, was made on the basis of a total registration of 7,496 motor vehicles in Nevada county and 12,266 in Placer.

Riley distributed $3,965,217, one-third of the total, to the fifty eight counties of the state on the basis of registrations and deposited $7,930,433 in the State Highway Fund.

LIONS VOTE TO AID LOCAL YOUNGSTERS

The Lions Club last night voted to contribute $20 to assist local children in attending the summer camp at Camp Pahatsi near Soda Springs during the next two weeks. It was also decided to purchase a flag for the Junior Game Patrol, which the club is sponsoring with the Rotary Club.

Visitors at the meeting were Reg Hornberger of Oakland, Arnold Doerr and Ross Van Gundy, members of the San Jose Lions club, and Rufus C. Gregory of Truckee.

VACATION SCHOOL TO CLOSE FRIDAY NIGHT

The Vacation School of the Community Methodist Church will close a two-week session at a program at 7:30 A. M. tomorrow evening. The program will be a resume of the work done during the school. All parents and friends of the children have been urged to attend. An offering to be taken up will be used to help defray the costs of the school.

VOTER REGISTRATIONS HIT NEW COUNTY HIGH

According to figures released this week by the county clerk, Nevada county has an all time high in voter registrations of 11,222. This is an increase of 606 over the May presidential primary.

Democratic registrations led the Republican by 6817 to 4062. The Socialists had 18; Prohibition, 9; Progressive, 5; Townsend, 61 and 250 declined to state partisan preference. Both major parties recorded gains The G. O. P. holds a majority in only six precincts, three of them in Grass Valley. Of the nine Prohibitionists one resides in Truckee.

Mrs. McKay Visits—

Mrs. R. G. McKay was a Reno visitor this week.

Mrs. R. P. Bick was in San Francisco this week.

THREE INCH BEAST, KAGAROO MICE ARE FOUND IN FOREST

Dawson A. Feathers, Oakland zoologist, has for several weeks been collecting specimens of birds and mammals in the Tahoe National Forest between Truckee and Brockway for the Museum of Vertebrate Zoology of the University of California, according to District Ranger H. I. Snider of Truckee. Snider reports considerable success by Feather in the collection of rare specimens.

Six species of woodpeckers were gathered including a rare variety—the Three-toes Arctic woodpecker (Picoides). Feathers reported the capture of Wandering Shrew, one of the smallest of living mammals, measuring three inches including its tail. Its diminutive size is belied by the ferocity of the beast for it is known to kil land devour mice many times its size. Jumping mice, inhabiting grassy alpine meadows and seldom seen by humans were taken. When disturbed, this creature escapes by prodigious leaps of three to six feet, impelled by its kangaroo-like hind legs. Its hind legs are about as long as its body—approximately three inches.

Fifty odd specimens collected will be preserved at the University to be used for future study and research.

STREET FIGHT BRINGS INJURIES TO LABORERS

An argument over a loan made a year ago resulted in a brawl on the main street Friday night which put Jacinto Martinez, 45, and Jesus Rojas, 57, railroad employes, in the Nevada County Hospital with severe,if not fatal, knife wounds. Rojas is in the most critical condition with a puncture in one lung.

Deputy Sheriff N. F. Dolley and S. P. Officer Al Pfaendler, who investigated, said Martinez, an Andover employe, insisted that Rojas, of Truckee, owed him a sum borrowed some time ago. An argument ensued and the stabbing started.

Martinez is married and has a family at Andover.

NEVADA COUNTY HAS LARGE CENSUS GAIN

Nevada county ranks second in percentage of population gained between 1930 and 1940 in California, according to 1940 preliminary census figures. The gain recorded was 81 per cent. Shasta county showed the greatest percentage gain with 106.5 per cent.

Los Angeles county showed the largest numerical gain with San Diego second. All counties except Colusa, Imperial and San Francisco registered gains, according to the figures.

These figures are subject to change for the final and official count.

TRUCKEE RED CROSS DOES MUCH WORK

The Truckee chapter of American Red Cross sent another consignment of finished garments to the county headquarters Wednesday. Mrs. G. J. E Keetch reports that to date the local branch has completed 23 print dresses 17 hospital shirts, three crocheted shawls, a pair of knitted socks, one knitted scarf and two knitted sweaters. Work meetings are held each Tuesday at the Wyethia club house and many take work home.

TO GET GOLD PINS

Next Sunday the Community Methodist Sunday School will award gold pins to six members of the school for one year's perfect attendance. Silver pins will be awarded to three for nine month's uninterrupted attendance.

At Camp Meet—

Clarabelle and Loretta Lewis are enjoying a meeting of the Camp Fire Girls at Nevada City this week.

Kearney Visitors—

Mr. and Mrs. Lawrence Kearney and family and Mrs. B. H. Leonard of Sylvan visited at the home of Mr. Mrs. F. F. Kearney Tuesday.

Plans Progress To Have Winter Sport This Year

Up-Ski Given First Place In Plans of Local Club

MEET NEXT TUESDAY

Committee Powered to Build Tow for Pinnacle Point

Although the membership drive, started a week ago, is not well under way, it was decided at the meeting of the Truckee Outing Club Tuesday night to proceed with plans to install an up-ski for the coming season. A committee composed of C. B. White, C. J. Bowers and R. S. Boren was named to complete details of the purchase of equipment and prepare for the installation.

While it was agreed that clearing the hill which has been chosen for the site is an important feature of the proposed work, it was decided to install the up-ski first and then if time and finance permits to clear the hill to what ever extent seems practical and economical.

It was also decided to extend invitations to various other ski clubs to take advantage of the equipment here, the only cost being the nominal membership fee. One or two other clubs have already signified their desire to particiapte if arrangements can be made.

Due to lack of finance, the program is proceeding slowly but added enthusiasm at each meeting indicates that Truckee this year will not be caught napping, but will have an adequate program to assure winter sports fans a good time. President Yell Nobles presided at the meeting.

LOCAL WOMEN ESCAPE RAILROAD ACCIDENT

Mrs. Gino Gini and Mrs. Al Pfaendler escaped unhurt Friday night when the car driven by the former stalled on the Southern Pacific crossing in Truckee and was struck by No. 9 west bound passenger train.

The two women saw the locomotive approaching and leaped from the car before the crash. The train was not proceeding at a fast rate and stopped within a short time. The car was carried on the pilot from the crossing to the front of the S. P. Hotel.

It took the combined efforts of a group of spectators to remove the battered machine from the path of the locomotive.

TAHOE CARPENTER IS INJURED IN LAKE FALL

Falling about 20 feet from a scaffolding on which he was working; W. A. Lauthern, 53, Tahoe carpenter, employed by H. O. Anderson, Truckee contractor, on the new Davis home near Donner Lake, suffered severe head injuries. He was brought to Truckee by Pat Doyle, a neighbor, and Dr. J. H. Bernard rendered treatment.

Only recently Lauthern suffered a similar injury in the same manner. His condition is not considered serious and he is resting at his home.

JENNINGS PROMOTED IN RAILROAD SERVICE

M. L. Jennings of Dunsmuir, who visited Truckee last week with Mrs. Jennings, has gained a recent promotion with the Southern Pacific to assistant to the general manager of the road with headquarters in San Francisco. E. F. Nassoiy, who has been assistant superintendent at Sacramento, has been promoted to Jennings' place at Dunsmuir and R. E. Hallawell has replaced Nassoiy in the capital city, according to W. L. Hack, superintendent of the Sacramento division.

Jennings has meny friends here where he was located for some time who are glad to learn of his new post which carries greater responsibilities and title.

GARNER GOES FISHING

"Cactus Jack" Garner was reported to be quite hurt and out of sorts immediately after the Chicago convention finished treating him with such cavalier disregard. It was only human for him to feel so, then. But Mr. Garner cooled off very quickl yan announced laconically he was going fishing, and set off for his home in Texas. By now, fishing likely has brought out the philosopher in him. The music of rippling water, the sunlit spaces, the clean air, must seem heavenly after the raucous discords, packed conference rooms and stale atmosphere of convention halls. While candidates Roosevelt and Wallace worry over ominous signs of a serious party split, while discouraging campaign problems pile rapidly upon executive duties in the sticky, heat-quivering air of the capital—a relaxed Garner lazily makes another cast toward a drowsy Texas trout. He may have looked uncommonly down in the mouth when he left Washington—but it seems a cinch bet that the enigmatic grin he brings back from Texas will be the secret envy of men in very high places.

ADVERTISING PURGES ITSELF

Down through the history of the United States, only a few advertising rogues have thrived and those only for short periods.

There was a time a centur yago when capable physicians were rare in this country. People dosed themselves with awful concoctions made from their gardens ,and with patent medicines from the store. Then arose a swarm of nostrums for the "cure" of every disease. These nostrums slew their thousands. Many of them existed for no other purpose than, as has been said, "to make ailing womne happily drunk at home."

But the advertising of such pain-killers and fool-killers was thrown out by most newspapers and magazines of at least 25 years ago, says Nation's Business. As good doctors became more common, the thirst for patent medicines abated. In their wake came osme cosmeticians who preyed on women's vanity, wily scoundrels who offered perpetual youth in the form of lotions and creams.

But the success of any article sold depends ,of course, on repeat orders. Few if any lasting fortunes have been made by lying proprietors of cosmetics. Women buy once. When they notice no results, except perhaps a rash or eruption, they do not buy again. Most of the permanently advertised beauty preparations are made of ingredients which any dermatologist will tell you is good for the skin. And reputable drug and department stores, in recognition to their responsibilities to ther customers, will handle no beauty preparation to which women in the mass are allergic at all.

What is true of cosmetics and other packaged goods is also true of everything you see consistently advertised. An advertisement is the worst possible place in which to try to deceive. Deception doesn't work and doesn't pay.

"We declare it to be the unwritten law of the Republic, established by custom and usage of 100 years, and sanctified by the examples of the greatest and wisest of those who founded and have maintained our Government, that no man should be eligible for a third term in the Presidential office."
—Democratic National Platform of 1896.

For a nation that has failed to conquer China in three years the Japanese are certainly getting cocky these days.

Clubwoman: Wagewoman: Homewoman—

SHE'S THE SAME PERSON, when she goes to a store.

At her club meeting, it's kind of fun to hear some radical lecturer "prove" that most manufacturers are slickers, most store cheese is chalk, and most advertising is ballyhoo.

But watch the clubwoman when she starts buying. She wants her money's worth and she gets it. How? By first consulting the advertisements. Then by choosing the products she knows—the trade-marked, nationally advertised products that have been on the market for years.

Those trade-marked, advertised articles are the ARISTOCRATS among all the things she buys—or that any of us can buy.

Courtesy Nation's Business

Home Coming

The CAPITOL WEEK

by NEWTON STEARNS
(United Press Staff Correspondent)

SACRAMENTO, Aug. 1 —(U.P.)— For the second time in the 18 months Gov. Culbert Olson has been in office, the state relief administration went through a major shake-up during the past week.

The first "reorganization" occurred last fall and was political in nature, with loyal Democrats being given most of the top spots in the SRA. The current shake-up, however, is economic—and a goodm any of those same loyal Democrats are getting the axe because there isn't enough money to go around.

S. G. Rubinow, who became relief administrator on July 1, announced that approximately 1300 persons were being lopped from the payroll, leaving only about 1700 to carry on the task of distributing a twice-mnthly cash dole to more than 50,000 relief clients in the state.

The staff reduction is all the more impressive when the 1700 employes remaining are compared with more than 5000 at the high point of the last fiscal year.

The drastic cut was made necessary by a provision insterted in the relief bill by the legislature limiting administrative expenses to 15 per cent of the $24,000,000 allotted for the SRA during the next nine months.

Rubinow announced also that the restricted appropriation—about half what the administration wanted—will mean that about 20,000 "cases" will have to cut off the relief rolls or reductions will have to be made in individual allotments to all clients to keep all present families on the dole lists.

The new administrative structure will consist of 17 district offices in place of individual county offices. In some counties haedquarters withh be closed entirely and others retained as branch offices.

Unprecedented in the history of the state was the action of the state commission on qualifications of judges in rejecting Governor Olson's nomination of Max Radin, dean of the University of California law school, as an associate justice of the state supreme cour.

Radin's appointment was opposed in some legal circles as an ultra-liberal, but the qualifications commission made no statement on its reasons for the disapproval. Members of the group are Attorney General Earl Warren, Justice John T. Nourse, presiding justice of the first district court of appeals in San Francisco, and Chief Justice Phil Gibson, of the state supreme court.

Olson did not submit a new appointment immediately and indicated he might ask the commission to reconsider its action.

A new long-term vacancy on the University of California's board of regents was opened at week's end with the death in Pasadena of Mrs. Elanor Banning Macfarland.

Olson already had one regency to fill with the expiration of the term of James K. Moffit, San Francisco. The full term appointment will be for 16 years while a successor to Mrs. Macfarland will continue for 14 years, she having served two years.

Lieut.-Gov. Ellis E. Patterson attempted to reappoint Moffitt during Governor Olson's absence from the state during the Democratic national convention, but Olson beat his understudy to the draw with a previously filed, secret appointment of his executive secretary, M. Stanley Mosk, on a temporary basis. Moffitt announced later he would not have accepted Patterson's reappointment in any case ,and the governor revealed ther is still a chance Moffitt may be named by him.

Three appointments were announced during the week. John L. Horn, Los Angeles, and Ansley K. Salz, San Francisco, were reappointed to the state employment commission for terms ending July 1, 1944, and the Rev. James G. Dwling, pastor of St John's Cathedral in Fresno, was appointed to the state relief commission to serve at the pleasure of the governor. Dowling succeeds Movie Actor Melvyn Douglas, who resigned.

Know Your AMERICA

(Ed. Note: This is one of a series of short articles taken from data compiled for scenes of "America! Cavalcade of a Nation", theme spectacle of the 1940 California World's Fair.)

Benjamin Franklin founded the American Philosophical Society in Philadelphia in 1743. This was the beginning of literary and scientific clubs in the American colonies. Through this influence a Pennsylvanian by the name of Benjamin West went to London, where he became official court painter in 1772. Twenty years later Mr. West succeeded Sir Joshua Reynolds as president of the Royal Academy. The famous portraits of Washington were created by Gilbert Stuart and Charles Wilson during this period. Thomas Jefferson himself planned and built his own colonial mansion, recognized as the most beautiful of this type of architecture. Professional architects had begun to take thier place in the colonies .

The Man At The Keyhole

by OPERATIVE WB

Hollywood is hot as a firecracker, our spy reports, over information in the hands of the Dies Committee regarding flicker stars who are suspected of 'Fifth Column' activities. According to the grapevine out of Washington, the most super-colossal, all-star cast ever presented by a major studio just doesn't compare with the Dies list of "big names" on the rolls of the Communist Party. And when the list is made public, box-office is bound to suffer.

There's been no official burial as yet, but the next item you read about the Ham and Eggs movement will likely be in the obituary column. The action of the Supreme Court in denying the sufficiency of the pension petitions was the death blow. Income has dropped off to the vanishing point and the "funny money" promoters are looking for greener pastures.

In case you didn't know: Ellis E. "Go to Hell" Patterson is running last in the primar yelection contest for U. S. Senator, according to the polls. And the L. A. district attorney fight, between Fitts, Bonelli, et al., is still wide open; there's a terrible shortage of campaign funds and no one can forecast the outcome. Hitler, it seems, has just knocke d the spots out of politics.

IN THE SUPERIOR COURT OF CALIFORNIA IN AND FOR THE COUNTY OF NEVADA

No. 4070 NOTICE OF TIME SET FOR HEARING PETITION FOR PROBATE OF WILL AND FOR SETTING ASIDE ESTATE WITHOUT ADMINISTRATION

In the matter of the Estate of J. B. MAXSOM, also known as Jess B. Maxsom, Deceased.

NOTICE IS HEREBY GIVEN that a petition for the probate of the will of J. B. Maxsom, deceased, and for the issuance to Cora E. Maxsom of letters testamentary has been filed in this court, and that Friday, the 2nd day of August, 1940, at ten o'clock A. M. of said day, at the Court Room of said Court, at the Court House in the City of Nevada, County of Nevada, State of California, has been set for the hearing of said petition, at which time and place all persons interested in said estate are notified to appear and contest the same, if they choose. A prayer for setting aside the estate to the widow of the desceased is included in said petition.

DATED: July 9th, 1940
(SEAL) R. N. McCormack, Clerk
by: R. E. Deeble, Deputy clerk

TAHOE REGION NEWSETTES

Owen Garrity and M. Ruth Martin, who gave their addresses as Tahoe City, were issued a marriage license at Reno on Friday, July 26, according to a report from that city.

Mrs. M. R. Planett, mother of Mrs. A. M. Henry and Celeste Planett, enjoyed her birthday anniversary on Monday, July 29.

The leevl of Lake Tahoe on Monday was 6227.86 feet with five gates open at the Truckee River Dam and 409 cubic second feet of water leaving the lake. Temperatures Sunday varied from 73 to 39 degrees.

Lakeshore highways were crowded over the over the week-end with many out-of-state cars in the van.

A family birthday party on Monday night honored the natal day of Major A. P. Crist of Lake Forest Unit No. 3. The celebration was held at Cal-Neva. Mr. and Mrs. A. P. Crist, Jr., attended from Oakland.

Hannes Schroll, Sugar Bowl skiing expert, spent the week-end at the home of Mr. and Mrs. Wellington Herrington, where he practiced water skiing.

Mr. and Mrs. George Smith of San Francisco are guests at the home of Mr. and Mrs. Willis Hevel on Lakeview drive.

Mrs. Weymouth Roberts of San Francisco, with her daughter, Adriene is a guest at the home of her sister, Mrs. J. Carroll Skinner, of Homewood.

New construction now under way around the lake includes a new bowling alley being added to the R. Houdlette home near Carnelian Bay by Charles Van der Ploeg, an addition to the home of Mr. and Mrs. Z. Ellis on Truckee River by N. R. Mayfield, a new boat house and tennis court at the home of Mr. and Mrs. J. Hancock at Rubicon Beach.

Tahoe Schools Open Monday With High Attendance Record

High School to Offer Wide Program in Manual Training

TAHOE CITY, Aug. 1— Tahoe schools, both elementary and high, started their fall term on Monday, after a vacation period of more than six weeks. Enrollment in all rooms was larger than the corresponding period last year, with 32 high school and 49 elementary pupils registered. Newly decorated class rooms and shop were ready for the scholars use. Among new high school students are Barbara McKinney of Ward Creek, Edna Wheat, Janice and Shirlee Best and Audrey Welch of King's Beach.

Bernard Corrigan, high school instructor, returned Sunday after taking a summer course at San Jose State College. A more versatile program of shop work and other projects is scheduled for the coming year. Corrigan, a member of the Truckee Rotary Club, attended weekly meetings at San Jose.

Sub Swim

Although Soviets are said to be building gigantic sub fleet, little news about it gets out. This is a good clean picture, however—of Russians using their sub for a raft while swimming in an undisclosed Soviet port.

MID-SUMMER XMAS PARTY AT TAHOE

KINGS BEACH, Aug. 1—It doesn't sound pust right, but nevertheless here it is as it was told to us:

A Christmas Party, with old Kris Kringle and all the other trimmings will be staged at Celeste's at Kings Beach Saturday evening. The fact that a Christmas party is being held in the middle of summer should create interest in itself and Celeste promises additional surprises to all who attend.

KINGS BEACH STORE ROBBED ON SUNDAY

TAHOE CITY, Aug. 1—Constable Harry Johanson of Tahoe aPrk was called to King's Beach on Monday morning t investigate the burglarizing of Arnth and Lawson's store which occurred Sunday night.

The robbers apparently used a pass key to open the back door of the shop and stole $10 from the till. The officer is working on several clues left in connection with the theft.

WINDOW DEDICATED AT SUNDAY SERVICE

TAHOE CITY, Aug. 1— The beautiful stained glass window which was presented to the Episcopal Chapel of the Transfiguration near Tahoe Tavern by Miss Jessie Van Brunt of New York was dedicated Sunday with appropriate services by Bishop Noel Porter at the 11 A. M. service. Bishop Porter explained the figures on the glass which represent symbols of the church.

Mrs. Fannie Bailey Scott, soloist, was accompanied by Mrs. Elizabeth Woods, organist.

Pews of this attractive little outdoor chapel are filled every Sunday.

Ski Club Plans For Card Party On August 9th

Proceeds of Affair to Go To Ski Hut Building Fund

TAHOE CITY, Aug. 1—(Special)—Mrs. Tejas Edwards was appointed by the Lake Tahoe Ski Club to chairman an afternoon bridge and pinochle party on Friday, August 9, in Community Center Hall. Reservations should be made before August 7 with Mrs. Floyd Carnell at Tahoe or Mrs. Ellis McCann at Truckee.

At the regular monthly meeting held last Friday a plan for a ski lodge for accomodation of out-of-town members was discussed at some length. It was decided to initiate a building fund for the purpose and to devote the proceeds of the next party to that end.

At the card party on August 9, Mrs. Charles Swanson will display a series of artistic photographs entitled "Seasons at Lake Tahoe."

The next regular meeting of the club will be held on August 30 in the community hall.

PLANS COMPLETED FOR NEXT REGATTA

TAHOE CITY, Aug. 1— Officers and members of the Tahoe Yacht Club met at Tahoe Community Center Saturday to complete the program scheduled for the next regatta to be held at Chamber's on August 11. Commodore Randolph C. Walker appointed Brooks Walker and Stanley Dollar, Jr., as a committee to have charge of the setting of new classifications for the speed boats.

The regatta will open with a parade of boats which will be described as to class, winning and other data, by the official announcer. Added features wil be demonstrations of water skiing and aquaplaning to be given by Pierce Milton, Carl and Billy Bechdolt, Strand Mikkelsen and others.

Members present included Miss Martha King, Mrs. J. Carroll Skinner, who races her own boat, and Messrs. Alan Lisser, Larry Metcalf, Kenneth Scott, Hall Ross, Edwin Letts Oliver, Brooks Walker, Henry J. Kaiser, J. P. Obexer, Dave Chambers, Stanley Dollar, Jr., Carl Bechdolt, Jr., and others.

THREE ESCAPE HURT IN AUTO ACCIDENT

TAHOE CITY, Aug. 1— A car driven by B. M. Ireland of Oakvale, Ore., left the highway about three miles north of here Saturday morning, causing it to overturn, badly damaging the car but not giving any serious injury to the occupants.

With Ireland with Miss Becky Brodehl and Bob Foster, both of Pomn's.

Ireland sustained a small cut on his forehead after his car, a late model coupe, hit a tree after turning over.

Canstable Harry Johanson of Tahoe Park investigated the accident.

Purchase of Danish Islands

The Virgin islands of the United States, formerly the Danish West Indies, were bought for $25,000,000 by the United States from Denmark, in a treaty proclaimed January 25, 1917.

EIGHTY PRESENT AT JOINT MEETING HONORING STATE WOMENS' CLUBS PRESIDENT AT TAHOE

by SWANEE
(Special for the Sierra Sun)

One of the most enthusiastic groups of clubwomen ever to get together at Tahoe enjoyed the gala luncheon party on the Terrace Blue of The Forest Inn last Thursday. Eighty guests, many form out of town, gathered to honor the California State President of Federated Women's Clubs, Mrs. Thomas J. Richards of Chico, and Mrs. F. E. George, district president, from Willows in whose behalf the affair was held. Following the tasty repast, the group retired to the local community hall where addresses were given by the honorees. They were introduced by Mrs. Willis Hevel, president of the Tahoe Women's Club, the co-sponsor of the affair with the Wyethia Club of Truckee.

Mrs. George spoke first, touching briefly on the progress being made in the district and expressing her desire to contact the local groups more frequently for the purpose of enlarging the scope of club interests and making available the many branches of education and entertainment which could be derived upon application from the federation.

Mrs. Matt Green reported the progress made to date by the Tahoe chapter of the Red Cross which is doing more than its quota.

Mrs. Richards, who chose as her talk the subject "What's in a Name?", proved herself a most interesting and intelligent speaker, with a natural charm and sense of humor which held her audience's interest. She touched upon most of the vital problems in home and school today and disclosed interesting information gathered from many communities regarding "fifth column" activties in California, such information being made available to her by virtue of her recent appointment to the California Defense Board by Gov. Culbert Olson.

Following Mrs. Richards' talk she was introduced to the ladies present and answered timely questions of interest. Tea was served to round out a very pleasant afternoon.

Thirty-two reservations were made by the Truckee club by members and their guests. Among them were Mesdames Elden Tonini, Larry Zoebel, President James Garibaldi, A. P. Leitch, Charles White, Ben Tonini, Yell Nobles, Wilma Vollmar, Mervin Hayes, Fred Perry, Raitt Boren, Clarence Bowers, Chester Matson, Edith Fay, Helen Robinson, Dan Smith and party, Sadie Richardson, Mrs. Eugene Shelfield of Mills College, Irene Englehart, Irma Pritchard, Agnes Mahne, Lucille Bick, Jennie Watkins, Anna Filipcic and Rose Kielhofer. Guests of Miss Joan de Benedetti were the Misses Alice Doyle and Mary Roberts of San Francisco and Ramona Holm of Hillsboro.

FIRE DANGERS GREAT IN TAHOE FORESTS

TAHOE CITY, Aug. 1— Forest Service crews have been kept busy during the past week extinquishing several minor blazes which they kept from developing into major ones by prompt action. Ranger Charles Arment of Tahoe Park urges great caution on campers, hikers and fishermen in the woods as extreme dryness, high winds and low humidity have increased the fire hazards to a great extent.

One small fire near the north end of the lake was caused by a careless camper who left his fire unattended causing it to spread. Forest service men confiscated the man's bed roll and belongings and a search is being made for him.

On Saturday rangers assisted Truckee crews at Boca. Sunday a fire on the highway near Emerald Bay required quick action from crews from Meyers, El Dorado Camp and Tahoe Park, burning over an area of 500 square feet. It was apparently caused by a careless smoker.

LOCAL ASSEMBLY DISTRICT HAS MANY POINTS OF INTEREST

The Sixth Assembly District, according to our assemblyman, Allen G. Thurman, is one of the mast historic as well as one of the most scenic areas in the state.

In Coloma, El Dorado county, gold was discovered by John Marshall in 1848 while Bret Harte and Mark Twain made history in the Mother Lode region in the early days. Quartz gold was discovered in Grass Valley some 86 years ago.

There are many historic places in the district which comprises ten mountain counties. There are numerous historic pioneer towns which in their day were among the largest towns in the state. Such towns as Columbia in Tuolumne county and Iowa Hill and Dutch Flat in Placer county. Placerville, once known as Hang Town, and Auburn are also pioneer cities.

Some of the early day newspapers of the state are still being published throughout the district, four of which date back 86 and 87 years. They include the Placer Herald of Auburn, The Mariposa Gazette, The Sonora Union Democrat and the Placerville Mountain Democrat.

The highest and lowest points in the United States are in the district, both being located in Inyo county. Mt. Whitney, which rises 14,496 fee, and Death Valley at 279 feet below sea level.

Among the scenic wonders of the district represented by Thurman are Lake Tahoe, Donner Lake, Mono Lake, Yosemite National Park, Calaveras Big Trees and many other points of scenic beauty including the high Sierra.

Before and After

Before life became such a complex problem, men used to worry over the hereafter.

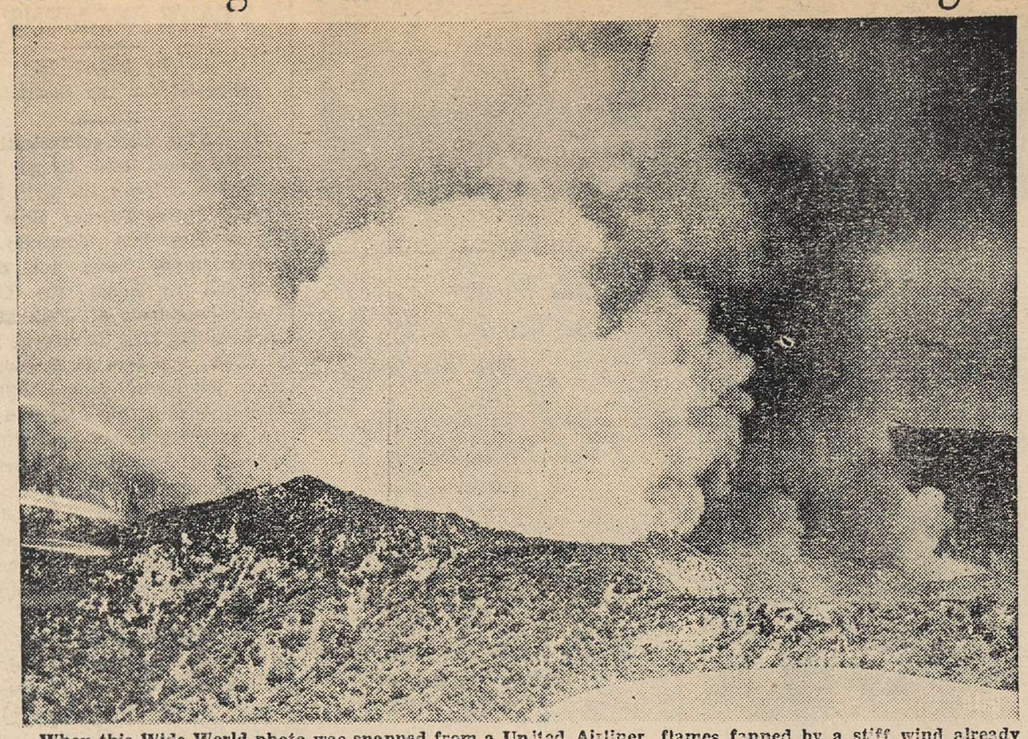
Fire Ravages Newhall Forest Near Los Angeles



When this Wide World photo was snapped from a United Airliner, flames fanned by a stiff wind already had burned over 4000 acres in timber and brush-covered hill country west of the town of Newhall, near Los Angeles. Hundreds of men battled the fire.

SUMMIT AREA IS AERO SURVEYED

Aerial Survey photos are being used in fish planting on the Tahoe National Forest according to District ranger John R. Hodgson of Big Bend. He states that he and the Division of Fish and Game officials have been poring over the aerial maps and have discovered a number of lakes that have never been planted. These will be planted during the season opening up new fishing grounds for summer visitors to the Donner Trail Area.

Last week, according to Hodgson, William Talbot, who is in charge of the state planting crew in Bear Valley, in cooperation with forest officers, planted 100,000 trout in the vicinity of Sterling lake alone. Hodgson states that they are large Eastern Brook and the best planting of trout the area has received to date. It is planned that a million will have been planted in the Donner Trail Area by the end of the season.

"It is evident that the Communist Party is not endeavoring to engage merely in the advocacy of the theories of Socialism or Communism. It is rather determined to force its will upon the people of the United States whether or not they are willing to accept it. Instead of being an advocate of mere theories, the Communist Party is part of an international organization dominated by Russia, and bound to carry on activity beneficial to that nation, irrespective of the effects such activity may have upon the nation in which the Party members live and to which they give allegiance." —for REPORT OF THE ASSEMBLY RELEIF INVESTIGATING COMMITTEE,

Stimson's Aide

Federal Circuit Judge Robert P. Patterson of New York state, who became Secy. of War Stimson's first aide when he succeeded Louis Johnson, resigned, as assistant secretary. He's a buck private in business-professional men's training camp at Plattsburg, N. Y.

The Vice President, the presiding officer of the Senate, can only vote in case of ties. The right is seldom exercised now, but John Adams, our first Vice President, gave his casting vote 22 times.

S. F. SOCIAL WORKER WILL SPEAK AT LAKE

TAHOE CITY, Aug. 1— Future scheduled programs of the Tahoe Red Cross chapetr include a talk by Miss Elzabeth Ashe, noted San Francisco philanthropic worker and founder of the Telegraph Hill Neighborhood House, who will speak to the group on her experiences in France during World War I. Miss Ashe has presented a copy of her book "Intimate Letters from France" to the Tahoe branch library.

Red Cross donations for war relief up to and including Monday were $261.95. Knitting and sewing projects are well in advance of quotas.

The leaning tower of Pisa has never stood upright because the foundation began to settle before the construction was completed.

Chances are 160,000,000,000 to one that a single player will hold all the cards in one suit in his hand at one time.

The first cable was laid between Calais, France, and Dover, England, in 1849.

SIMPLE RULES FOR MOUNTAIN DRIVERS

When driving n mountain roads motorists can best assure their safety and that of others by complying with certain provisions of law as contained in the vehicles code, suggests the California State Automobile Association. These provisions were cited as follows:

When tow cars meet on a grade where it is too narrow to pass, the descending car must back up to a point where the ascending one can pass.

Coasting down grade with gears in neutral is probhibited.

Overtaking and passing anotehr car on the crest of a grade or on a curve where the view is obstructed is prohibited.

The horn must be sounded on all curves where the view of the driver is obstructed within a distance of 200 feet along the road.

AUTOMOBILE ASS'N HAS NEW QUARTERS

New quarters for housing the district office of the California State Automobile Association serving the counties of Nevada, Placer and Sierra were opende for business Monday in Auburn. A new building was constructed entirely for occupancy by the Auburn home of service for the association's members in this territory. The buildin is located on High Street, the U. S. 40 route to the Truckee-Tahoe region.

SEAWELL DEFENDS LEGISLATIVE ACTIONS

(From Legislative News Service)

State Senator Jerrold L. "Jerry" Seawell, president pro tem of the senate, today urged the public to view "with extreme skepticism" Gov. Clubert L. Olson's latest claim that the $24,347,000 appropriated by the legislature in May for relief is inadequate.

"The governor is quoted as saying family relief budgets may be reduced," Seawell said. "This reminds us of his statements last spring during the time his State Relief Administration officials were enforcing a 40 per cent cut in relief payments. The legislature later exposed the fact that the SRA had $1,247,000 in the bank while the governor was claiming insufficient money fas available."

This latest outbreak in the two-year old war between the governor and the legislature was precipitated by news releases and a radio broad cast by the governor, including the statement that 1300 out of about 3000 SRA employes must be discharged to meet the legislature's requirements that not more than 15 per cent of relief money be septn for overhead.

SENATOR SEAWELL

* * * *

"That is distinctly a tribute to the judgement of the legislature," Seawell stated, "proving our contention that the SRA can get along without hundreds of the duplicating, wasteful, politically-favored employes who have been getting, in high salaries and lavish expense allowances, money that should go to the unfortunate people who are on relief."

Seawell said that the $24,347,000 relief appropriation in May was designed to care for relief until March 31, 1941. The legislature will meet December 2 at which time emergency matters can be handled. "What has happened if relief funds are short only two months after they were appropriated for a period of ten mnths with the governor admitting that the releif case load has dropped from 118,000 to 70,000?" asked the Roseville solon.

FAWN'S FAWN, BUT LET WELL ENOUGH ALONE SAYS FISH AND GAME COMMISSION

SACRAMENTO, Aug. 1 —(U.P.)— "Let the fawn alone, mamma's near by" is the pela of California's fish and game wardens who for many years have tried to convince a too sympathetic public that fawns are very seldom lost or deserted.

Persons seeing lone fawns were urged to mark the spot and inform the nearest game warden. Should the fawn really be lost, the game warden can make arrangements to take care of it.

The California fish and game code provides a minimum fine of $50 for the possession of a spotted fawn.

SAFETY FIRST

Almost anyone can install electrical wiring and electrical appartus so that they will work after a fashion. But to install them so that the greatest degree of safety will be assured, that their mechanical perfection will be realized and that the instllaton will be forever free form constant tinkering is another matter.

And that brings up the matter of doing electrical work in a "maybe-or-may-be-not" fashion by yourself or having it done by an expert electrician. Each year the National Board of Fire Underwriters add up thou sands and thousands of dollars, needlessly destroyed by fire through well meaning but incompetent workmanship of amatuer electricians. Is your home, your most valued possession, worth gambling against the few dollars charged by the master electrcian or the chances of fire through amatuerish workmanship?

NOTICE of INTENDED MORTGAGE

TO WHOM IT MAY CONCERN:

Notice is hereby given that Rufus C. Gregory and Daniel S. Gregory, Mortagors, whose addresses are Truckee, County of Nevada, State of California, intend to mortgage to Bert T. Weeden, whose address is Truckee, County of Nevada, State of California, the following described property, to wit:

Three pool tables, one snooker table, five cue racks, forty-four pool cues, three card tables, twenty-six chairs, seven leather-topped bar stools, one candy case, one cigar case, one back bar and bar, one adding machine, one popcorn machine, one suction fan, one penny pack machine, one poker face machine, one music machine, one oil burning stove, two milkshake mixers, one cash register, one vacuum cleaner for pool tables, complete set of lighting fixtures and all paraphernalia and fixtures and equipment heretofore and now being used by the parties of the first part, in a certain pool room and cigar store, known as the "Sportland Pool Hall" and located at Truckee, County of Nevada, State of California, and that an executed mortgage of the same will be delivered and the consideration therefor paid at 10 o'clock A. M., on Saturday, the 10th day of August, 1940 at the escrow department of Bank of America, N. T. and S. A., in Truckee, County of Nevada, State of California.

Dated this 31st day of July, 1940

RUFUS C. GREGORY
DANIEL S. GREGORY, Mortagors

STATE OF CALIFORNIA
COUNTY OF NEVADA

On this 31st day of July in the year one thousand nine hundred and forty before me, C. B. White, a Notary Public in and for the County of Nevada, State of California, residing therein, duly commissioned and sworn personally appeared Rufus C. Gregory and Daniel S. Gregory, known to me to be the persons whose names are subsribed to the within instrument, and acknowledged to me that they executed the same.

IN WITNESS WHEREOF I have hereunto set my hand and affixed my official seal at my office in the County of Nevada the day and year in this certificate first above written.

C. B. WHITE, Notary Public in and for the County of Nevada, State of California.

My Commission Expires April 11, 1941
